

Download and print the Resene Dreamweaver design from www.resene.co.nz/kids/kids_stencils

starry night headboard

STEP 1 Lightly sand the headboard and wipe clean with a damp cloth.

STEP 2 Apply one coat of Resene Waterborne Smooth Surface Sealer to the headboard. Allow to dry.

STEP 3 Apply two coats of Resene Astronaut to the headboard. Allow to dry.

STEP 4 Using a small paint roller, apply two coats of Resene Time Warp to the headboard. Allow to dry.

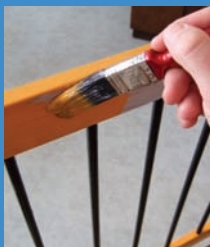

STEP 5 Use a 'stippling' (dabbing) technique to stencil the Dreamweaver design using Resene Scotty Silver and a paintbrush. Repeat to create a starry pattern over the entire headboard.

Starry nights or carnival fun, transform an old wooden cot or headboard into these bright and colourful creations to delight even the youngest of littlies.

circus cot

STEP 1 Lightly sand the cot and wipe clean with a damp cloth.

STEP 2 Apply one coat of Resene Smooth Surface Sealer to the cot. Allow to dry.

STEP 3 Paint the bars of the cot with two coats of Resene Black.

STEP 4 Paint the legs and curved upper ends with two coats of Resene Wet N Wild, and the curved lower ends and side struts with two coats of Resene Hi Jinx.

STEP 5 Using Resene Black, paint tiger stripes over the

areas painted with Resene Hi Jinx. Once dry, apply a second coat.

STEP 6 Apply one coat of Resene Quick Dry acrylic primer undercoat to the four lengths of dowel. Once dry (about 1 hour), apply two coats of Resene Black.

This clown painting was created using Resene products. For details on how to make it visit: www.resene.co.nz/artprojects

TO FINISH OFF: Fix four poles (each 1.5m lengths of 25mm wooden dowel) to the cot using brass screws – drill pilot holes first and attach the decorative bunting to the top of the poles with a staple gun.

Projects designed by Mark Rayner
