

**Above:** This bedroom features a striped accent wall, painted in Resene Wan White, Resene Tea and Resene White Pointer. The subdued tones are a visually quiet contrast to the bright views beyond.

**Right:** The play of light in recessed areas creates interesting shadow effects. Walls and ceilings throughout the living areas are painted in Resene Quarter Parchment.

Light, neutral shades will always create a relaxing backdrop for a house by the sea. For the Mount Maunganui beach house, designer Ray Lind of Martin Hughes Architecture Interiors specified Resene paint colours.

The interior walls are painted with Resene Zylone Sheen, a fast-drying, low-odour paint well-suited to broadwall surfaces. This is applied over Resene Broadwall Surface Prep or Resene Broadwall 3 in 1 for a Level 5 finish.
