# Ornamental **task**

## DIY concrete statue

Mark Rayner gives a concrete garden statue a complete makeover.

### You will need:

- Old concrete garden statue or ornament.
- Paintbrushes.
- Garden sprayer.
- Resene Concrete Primer.
- Resene Moss & Mould Killer.
- Resene Lumbersider tinted to Resene Porsche.
- Resene Enamacryl Metallic tinted to Resene Bullion.
- Resene Multishield+ gloss.
- Stiff brush.
- Clean water.

1

Remove any loose dirt and material from the concrete figurine (or ornament) with a stiff bristled brush, as shown.

2

Mix one part of Resene Moss & Mould Killer to five parts of clean water and pour the solution into a garden sprayer.

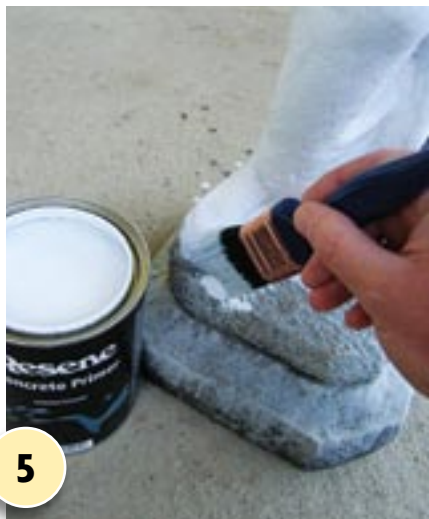

3

Spray the figurine with a generous amount of the solution. Leave for 48 hours.

4

Wash the figurine thoroughly with clean water and then allow it to dry.

5

Apply one coat of Resene Concrete Primer to the figurine and allow it two hours to dry.

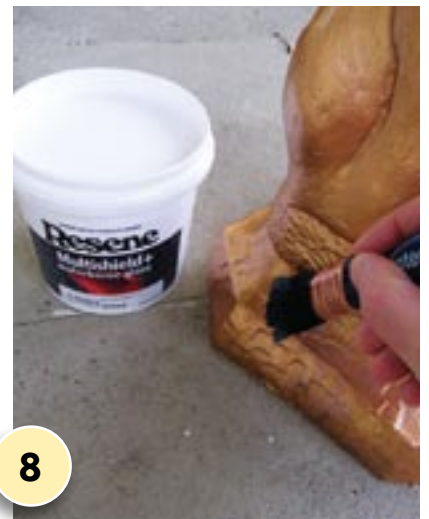

6

Apply one coat of Resene Porsche and allow two hours drying time.

7

Apply two coats of Resene Bullion, allowing two hours for each coat to dry.

8

Apply one coat of Resene Multishield+ gloss, allowing two hours for it to dry.
