

You will need:

- Artist canvas board (a thick piece of cardboard will do)
- Glue stick
- Old gardening magazines
- Paintbrushes
- Resene testpots of Resene Guardsman Red and Resene Resolution Blue
- Scissors

Step one

Paint the canvas board with two coats of Resene Guardsman Red. Allow to dry.

Step two

Using the scissors, carefully cut out photographs of flowers from an old gardening magazine.

Step three

Using the glue stick, glue the flowers around the edge of the canvas board. Allow for the glue to dry.

Step four

Paint your message in the centre of the canvas board with Resene Resolution Blue. Allow to dry.

Create a fabulous collage with flower pictures from old gardening magazines and Resene testpots.

Top tip:

Old gardening magazines can be found in most charity shops.
