## THE STORY

*Plain doesn't mean boring! The soft feel of the cloth we use, and the blackout coating, is a reflection of its quality. The subtle sheen in the yarn allowed us to achieve our objective: create a classic blackout & matching translucent fabric that will be noticed... a bit like a nice pair of jeans!*

**AVAILABLE IN 10 COLOURS IN BLOCKOUT & 7 COLOURS IN TRANSLUCENT:**

**WINTER WHITE, CREAM, ALABASTER, STONE, TAUPE, SHALE, \*PORPOISE, \*SLATE, \*CHARCOAL, BLACK**

\*NOT AVAILABLE IN TRANSLUCENT

*Suitable for roller blinds, roman blinds & panel glides.*

Colours shown are a representation only. Blinds matched to paint colours may differ batch to batch due to the fabric, texture, sheen and processing. Please refer to the actual blind product sample, or for paint choices, the actual Resene paint sample, before making your final choice. We recommend choosing complementary, not matching, paint colours to work with your blind colour.
