TREMONT

THE STORY

We can't take the credit for it - our soft furnishing division designed it and we thank them for it! With a subtle vertical texture, this kind of design is very unusual in blind fabric. If you are undecided between a bold texture and a plain, Tremont should be the balance you are looking for.

**AVAILABLE IN 5 COLOURS:
FROST, CHALK, BIRCH, ASH, SLATE**

Suitable for roller blinds, roman blinds & panel glides.

Colours shown are a representation only. Blinds matched to paint colours may differ batch to batch due to the fabric, texture, sheen and processing. Please refer to the actual blind product sample, or for paint choices, the actual Resene paint sample, before making your final choice. We recommend choosing complementary, not matching, paint colours to work with your blind colour.
