Ways with wood
with Mark Rayner – 61

You will need:

- Bucket
- Garden sprayer
- Hose with clean running water
- Paintbrush
- Paint stirrer
- Resene Mineral Turpentine (for washing brush)
- Resene Moss & Mould Killer
- Resene paint pot (for washing brush)
- Resene Timber and Deck Wash
- Resene Woodsman wood oil stain tinted to Resene Japanese Maple
- Stiff bristled brush
- Wooden table and seats

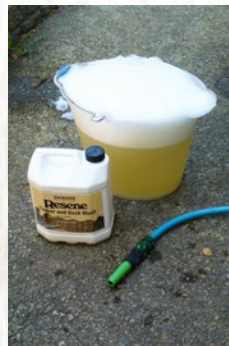

Step one

Mix one part Resene Moss & Mould Killer to five parts clean water.

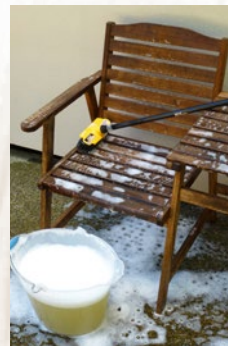

Step two

Apply the solution generously to the table and seats and leave for 48 hours.

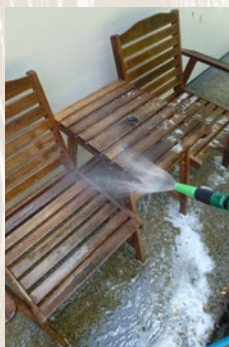

Step three

Mix one part Resene Timber and Deck Wash to three parts water.

Step four

Scrub the solution vigorously into the wood using a stiff bristled brush.

Step five

Allow the wood to remain wet for ten to fifteen minutes before rinsing off with clean water. Allow to dry.

Step six

Carefully stir the Resene Woodsman wood oil stain with a paint stirrer.

Step seven

Apply one coat of Resene Woodsman wood oil stain to the table and seats, brushing in the direction of the grain. Allow to dry for 24 hours. Clean brush with Resene Mineral Turpentine.

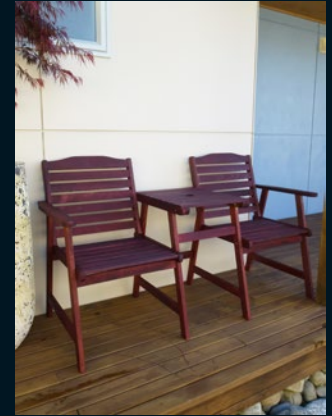

Step eight

Apply a second coat of Resene Woodsman oil stain to the table and seats, brushing in the direction of the grain. Again, allow 24 hours to dry. Clean brush with Resene Mineral Turpentine.

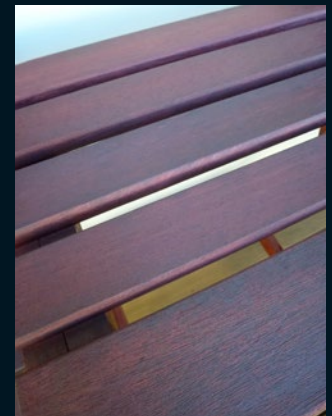

Exterior

It's easy to transform a tired outdoor table and seats into a stylish design feature with a little bit of help from Resene.

To get the look:

Mark painted the background walls with Resene Lumbersider tinted to Resene Ragamuffin and Resene Polo Blue.

Other ideas:

For a lighter brown finish use Resene Woodsman wood oil stain tinted to Resene Nutmeg.
