

Resene product labels are updated from time to time. This label is provided as a guide for this product and may differ from the label on the container you purchase. Please discuss your project with your local Resene ColorShop team or reseller to ensure you have the right products to give you the best quality finish for your specific project.

Resene Art Action tempera

80 ml

NON TOXIC Conforms to ASTM D-4236

Resene Art Action Tempera is designed specifically for use on home or classroom artwork. Ideal for younger children (3 years or older). A good value option for non-permanent artwork, posters and pictures that will be protected from moisture. If a higher quality, more permanent paint is required, use Resene Art Action Student Acrylic.

- Use direct from the container or dilute with water.
- Thoroughly clean your brush before use for best results.
- Solid colours may be mixed for colour blends.
- Wear suitable clothing, as some fabrics may retain the pigments used to colour the acrylic.
- Use cold soapy water to remove paint from brushes immediately after use.
- First aid is generally not required. If in doubt, contact the NZ Poisons Information Centre on 0800 764-766 or a doctor.
